

Sugar Stix Envelope Template

To make envelopes:

1. Cut 4 strips, 2" wide by 11" tall from a sheet of 8-1/2" X 11" cardstock.
2. Score strips at 6.5" down for a fold line.
3. Use a corner rounder to round top edge corners (bottom optional).
4. Fold at the score/dotted line to make a 6.5" tall envelope.
5. Use a sticky tape to adhere the edges. Attach tape to the 4.5" side and attach to the 6.5" side.
6. Stamp the envelope on the outside and inside. Add bows, tags, etc. Have fun!
7. Add Pixy Stix, pencils and other items to make a great gift item!

Score and fold at a dotted line.

Apply a sticky tape to edges of the 4.5" section sides
